

Flange Size	DN25	DN50	Other:
	ANSI 1"	ANSI 2"	Other:

Flange Facing	Tri Clamp DIN 32676 (Series A)	Tri Clamp DIN 2852 (Series B)	Tri Clamp BS 4825 (Series C, ASME BPE 2009)
	Other:		

Operating Temperature	Min      °C	Max      °C
-----------------------	-------------	-------------

Fluctuations	Yes	No	Degree/Minute:
--------------	-----	----	----------------

Operating Pressure	Min      bar	Max      bar
--------------------	--------------	--------------

Materials (in contact with)	1.4404	1.4435	Other:
--------------------------------	--------	--------	--------

Surface Roughness	Rz Value:	Ra Value:
-------------------	-----------	-----------

Seals (in contact with)	1.4404	1.4435	Other:
----------------------------	--------	--------	--------

Process Window (in contact with)	Sapphire	Quartz	Other:
-------------------------------------	----------	--------	--------

Optical Path Length	1mm	2mm	5mm
	Other:		

Collimator Lens	NIR range	UV-VIS range	Other:
-----------------	-----------	--------------	--------

Optical Fiber	0,5m	1m	2m
	3m	5m	Other:
	NIR range	UV-VIS range	Other:
